

Start a new holiday reading tradition – and pass it on!

This holiday season include books and reading in your celebrations. It's a wonderful tradition to begin -or continue- with your family. And it will create warm memories that extend through the years.

After the children have fallen asleep on a winter holiday's eve, place a special gift-wrapped book at the foot of each child's bed. The children will awake to find a present they can open right away, beginning a special reading tradition they will love. Plus, it'll keep them in bed just a bit longer!
