

“I pledge to read to you.”

I pledge to read to you every day.

I pledge to read to you any time, any place.

I pledge to read to you so you will grow up loving books and reading.

I pledge to read to you because it gives you the words you need for life.

Reading to you builds your curiosity and makes you want to know more.

I pledge to read to you because it will give you a better chance in school.

I pledge to read to you later, if you don't want to listen right now.

When I read to you and spend time with you, we are making memories together.

I pledge to read to you even after you can read yourself.

I pledge to read to you because I want the best for you.

I pledge to read to you because I love you.
