# Make your own Read-Aloud Challenge Bag Tag!

1. Print out the two following pages (for students) or just this page (for one child) and cut on the lines to make fronts and backs to the tags.

2. Cut out cardboard, oak tag, or other heavy weight paper to be 4.25" by 2.75".

3. Glue a front and back onto each cardboard piece.

4. Punch a hole and add a rubber band or string.

5. Hang from a backpack or coat and be a proud Read-Aloud Hero!

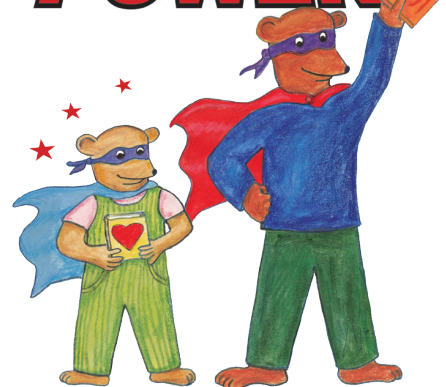

BOOKS are my SUPER POWER
