The Nook is Family Reading Partnership's newest outreach project, an engaging play area at The Shops at Ithaca Mall. The space is available at no cost for caregivers with infants and children 5 and under to talk, sing, read, and play together to build essential early literacy skills. The Nook is a relaxing place for families to interact together, as well as an access point for free children's books to take home and keep.

We are committed to keeping The Nook entirely free of charge to all visitors. We feel that even sliding scale fee structures add a barrier for families and create an inequitable setting from the outset. As a nonprofit it is the responsibility of our team to ensure that we are offering a public service that is making every decision with inclusion and justice at the forefront, and your support makes it possible for us to deliver on our promises. Funding received from Nook sponsors is allocated to support staffing and rental expenses, providing more books to give to families, and supplies (cleaning, arts, sensory, toys, etc.). Your name or business will be integrated into our playful wall murals at the following levels:

In the Clouds \$7,500+

Sunflowers \$2,500

Lily pad (soft play area) \$1,000

Fencepost (facing main hallway) \$500

Interactive apple tree \$250
